

MAMTech
LIMITED

Dream of Automation

MAMTech Limited

MAMTech Limited, a leading ERP software development company, has been a key contributor to Bangladesh's ICT industry for over 25 years.

MAMTech began its journey in 2000 and became **MAMTech Limited** in 2003. Over the years, **MAMTech** has contributed in numerous ERP solutions globally, now operating in diverse organizations. Our software supports industries such as Shipping, Ready-Made Garments, Garments Accessories, Real Estate, Trading, Manufacturing, and more.

We're proud to announce that **MAMTech** has won the **BEST IT USE AWARD** three times: for **EMCSL of ICDDR,B in SoftExpo 2007**, **ESACK BROTHERS INDUSTRIES LTD.** in 2005, and **DANDY DYEING LTD** in 2004. These awards were presented by **BASIS** (Bangladesh Association of Software and Information Services), with sponsorship from **SEDF** (A world-bank Project), **DBBL** (Dutch-Bangla Bank Limited) and other leading organizations.

AutoBiz is the core successful ERP software production of
MAMTech Limited

AutoBiz delivers seamless integration for all key business functions, with every module and feature included. Enter data once, and the entire suite works with it effortlessly. Core modules are Accounts, Purchasing Management, Sales Management, Inventory & Warehouse Management, Order Management, Production & Manufacturing Management, Land Management, Asset Management, HR & Payroll, Point of Sales (POS), Enterprise Resource Planning (ERP), Loan Management etc.

AutoBiz can help you to:

- Reduce operating costs and boost efficiency.
- Gain real-time visibility of transactions.
- Make informed business decisions with current data.
- Deliver the right product on time.
- Keep our promises to customers.
